

Tim. Howard suffered for three years with lung and throat troubles, and last spring was thought by his neighbors to be dying. I heard of his condition and gave him A. B. C. Tonic. Its effect was magical. In a very short time he was able to leave his bed, and now regards himself a well man. Others in this vicinity have taken the "Tonic" with pronounced benefit.

The Frigid Bostonian.

It would be pleasant if Boston men it gets the better it is. It is absolutely when the officers went through Jim's clothes they found a slungshot in one of his peckets, as well as a revolver. Had I stooped to pick up that cane I should no doubt have received a playful tap on my head that would have left me sleeping on the sidewalk.

"The sergeant warmly congratulated of the sidewalk in the work of the sidewalk in the wintager's pot an feu, which I lately tasted in the Medoc during the gathering of the grapes, cannot be season. It is absolutely seconds, their male friends. If they knew how ill bred such conduct appears to strangers, they would try to pears to strangers, they would try to the strangers pears to strangers pea

The Enighting Ceremony. When an Englishman is about to be mighted he receives a notification to of our soup kitchens, and what a meal that effect, accompanied by a slip of paper, which affords him full instruc tions as to the manner of his behavior when in the royal presence, with a foot note telling him the time that the case may be. Each one of the knights designated enters the royal presence kept togethor, and there is no danger before leaving, signs his name in the queen's birthday book.-Chatter.

The Deceased Wife's Sister. Any theorist who denies the su infinite monotony; in the "rosebud garden of girls" she is a perennial, and it may confidently be predicted that in the ruins of London and the overthrow of the universe Macaulay's man will respectively enjoy (or otherwise) a tete-a-tete with the deceased wife's sister. - Baltimore American.

Secret of Sleep Is Regularity. The experience of a night worker has led to some philosophical and logical conclusions. It seems that his duties were of a nature to keep him exhilaration of the dawn banished all desire for sleep. He tried to read himself to sleep, to count himself to sleep, to think himself to sleep, and to use a little Christian science and imagine he was asleep, all to no purpose. deflected his eyes downward until ha was nearly crosseyed. He darkened the room, and he dimly lighted it. He put his poor head on the pillow and under the pillow, on the lounge and on the floor. He tried and wore out every sleep producing drug known. Finally he became really ill, and was bundled off to the country to recuperate. He went to bed at 10 o'clock because

every one else did. He rose at 7 for the same reason, when lo! the desired cure was brought about when he least expected it. After a little he went to sleep and wakened with the regularity of clockwork. In accordance with his experience he advises every one to go to bed at a certain hour every night, whether they are sleepy or not, and to arise at a certain hour in the morning, whether they feel refreshed and wakeful or not. Nature is a creature of habit, and after his harrowing experidecided that nature is the only physical physica ence with drugs and nostrums he has
